

Assistant Professor Positions at the Department of Management and Technology

The Department of Management and Technology at Bocconi University seeks candidates for 2 full time tenure-track faculty positions at the Assistant Professor level. We are open to all areas of management scholarship but specifically look for candidates specializing in Organization and Management Theory or Organizational Behavior. Appointments are expected to begin September 1st 2024.

The Department of Management and Technology has a longstanding scholarly tradition in the fields of technology, strategy, and organization theory. In 2023 the department was ranked 7th worldwide (3rd in Europe) for business and management in the QS Worldwide University Ranking. The department is currently in a sustained period of growth and internationalization, with over 15 international faculty members hired across all levels in the last five years.

Applicants should have outstanding records in a doctoral program and strong demonstrated ability or potential for high quality research at the forefront of their field. Ability and interest to teach in undergraduate, masters, MBA, and PhD programs are essential. Advanced candidates should have an established track record of research and teaching.

Interested individuals should complete and submit their application via www.unibocconi.eu/jobmarket by 23:59 (Central European Summer Time) on **Monday September 4th 2023**. Complete applications include cover letter, curriculum vitae, job market paper, research statement, and three recommendation letters.

We plan to meet candidates at the AOM annual meeting in Boston in August. If you are attending AOM in person and would like to be considered for an on-site meeting, please upload your resume and research statement by 23:59 (Central European Summer Time) on **Monday July 17th 2023**. Taking part in the AOM is not a requirement; our search will continue after the meetings.
